Booklet of reports 2017
- a new focus for your reports for Congress

Dear Presidents of Affiliates and Associates and Members of the Extended Board

Once more we ask IAW member organizations, international representatives, commission conveners and other office bearers to report on their activities. This is an important aspect of the collaboration between the Board and the membership and of the preparations for Congress.

Focus of reports 2017 – IMPORTANT!
- link to Action Programme

This time we ask you to report on your most important activities during the past year or two and to describe what aspect of the IAW Action Programme **your activities are related to or are linked with**. The IAW Action Programme can be found here: <http://womenalliance.org/action-program>. You may like to link your report to [the resolutions adopted at Congress in 2013](#) as well.

We would also like you to inform the readers of the booklet of the most burning issues in your country/region or in your area of work as an international representative or commission convener.

Deadline is September 1. – send to Lene Pind at lenepind@gmail.com
The report should consist of a maximum of 3 pages and 2 photos. PLEASE, DO NOT send your report as a pdf-file. I cannot work in it.

Congress 2017

At Congress 2017 in Nicosia, Cyprus, all reports will again be published in a booklet. All delegates will receive a copy at the beginning of the meeting, and a presentation of the booklet including a presentation of the major issues emerging from the reports will be given at Congress.

The booklet will be sent electronically to all members and made available on the IAW website.

The 2016 Booklet is available here:
