A special IAW pamphlet has been produced for wide distribution leading up to the **2004 Centenary Celebrations**.

Please Forward this email with attachment to all your colleagues and friends; and send the pamphlet to those who don't have email.

It is hope that you will be personally joining in the Celebrations in Berlin and / or Freiburg. The planning has been done but until the organisers have a really good knowledge of how many people will be attending, it is difficult for them to finalise the arrangements. For instance, the Berlin rail authorities are insisting on knowing now how many people will be in the group travelling from Berlin to Freiburg, otherwise they cannot guarantee the special group booking and price.

The hotels in Freiburg need to know now how many IAW guests they will have.
